HiSET Exam Prep Feb 11 2021 Kaplan's HiSET Exam Prep provides comprehensive review, online resources, and exam-like practice to help you pass the test. Our book is designed for self-study so you can prep at your own pace, on your own schedule. The new fourth edition includes an online study plan that will help you track your progress, learn more about the HiSET, and access supplemental study material. Essential Review More than 1,000 practice questions in the book and online with answers and explanations In-book diagnostic pretest to help you identify your strengths and weaknesses so you can set up a personalized study plan Essential skills you'll need to pass each of the 5 subtests: Reasoning through Language Arts-Reading, Language Arts-Writing, Mathematics, Science, and Social Studies A full-length practice test for each subject area Three chapters are now accessible in the online study plan: Earth and Space Science, Economics, and Geography Expert Guidance Online center with information about getting started, 3 digital chapters covering Science and Social Studies, and a system for marking chapters complete Expert test-taking strategies to help you face the exam with confidence Kaplan's experts make sure our practice questions and study materials are true to the test. We invented test prep—Kaplan (www.kaptest.com) has been helping students for 80 years. Our proven strategies have helped legions of students achieve their dreams. The HiSET is an alternative to the GED test and the TASC test. In some states, it is the only acceptable test for earning a high school equivalency diploma. In other states, it is just 1 test option out of 2 or 3. To find out whether your state will be using the HiSET for high school equivalency tests, visit hiset.ets.org or contact your state's department of education. The previous edition of this book was titled HiSET Exam 2017-2018 Strategies, Practice & Review.

PgMP® Exam Practice Test and Study Guide, Fourth Edition Dec 24 2021 PgMP® Exam Practice Test and Study Guide, Fourth Edition is the book you need to pass the Program Management Professional (PgMP®) exam the first time around. It reflects recent revisions based on PMI®'s Standard for Program Management - Third Edition (2013). Based on best practices that complement PMI®'s standards, this is the most comprehensive and up-to-date resource available to help you prepare for the exam with new and changed terminology. It includes a list of the major topics covered on the exam organized by the five performance domains—strategic program management, program life cycle, benefits management, stakeholder management, and governance—as presented in the Program Management Professional Examination Content Outline. It also includes helpful tips on how to make the most of the time you have available to prepare for the exam. Just like its bestselling predecessors, this indispensable study guide includes 20 multiple-choice practice questions for each domain along with a comprehensive answer key. The program life cycle domain includes 20 questions for each of the five phases. Each question also has a plainly written rationale for each correct answer with bibliographic references for further study. Two challenging, 170-question practice tests that simulate the actual exam are included in the book and online, so you can retake them as many times as necessary. They also include a rationale and reference. Scores for the online tests are presented as if each question is rated similarly, but this edition also includes a new component: the authors' own weighting system for the level of difficulty for each question. This system will show you what they feel meets the exam's criteria for Proficient, Moderately Proficient, and below Proficient. You then will see your scores by domain in both approaches. Supplying an insider's look at the questions, terminology, and sentence construction you will encounter on the day of the exam, this indispensable study tool is designed to help you pass the exam and achieve the highly sought after PgMP® certification.
