Study Smarter, Not Harder! Like any test, your degree of success on the IBEW Test depends largely on knowing how to study for it. Now, I'm not talking about burning the candle at both ends. In fact, our goal is to have you studying less not more. Nor are we asking you to spend hundreds of dollars on study guides. Practice Makes Perfect Really! The more questions you see, the more likely you are to pass the test. And between our study guide and practice tests, you'll have over 200 practice questions that cover every category. You can fine-tune your knowledge

in areas where you feel comfortable and be more efficient in improving your problem areas. Our test has been developed by our dedicated team of experts. All the material in the study guide, including every practice question, is designed to engage the critical thinking skills that are needed to pass the IBEW test. Maybe you have read this kind of thing before, and maybe feel you don't need it, and you are not sure if you are going to buy this book. Remember though, it only a few percentage points divide the PASS from the FAIL students. Even if our test tips increase your score by a few percentage points, isn't that worth it? Why not do everything you can to get the best score on the IBEW Test?
