Bed of Coals Apr 07 2021 A moving sequence of poems on longing and loneliness. Annotation copyright by Book News, Inc., Portland, OR
Turn Thanks Jan 24 2020 The Jamaican poet presents a collection of verse acknowledging her own ancestors and that of her craft.

Die schwarze Tulpe Jun 09 2021 Niederlande, 1672: In einer Zeit politischer Wirren hat die Tulpengesellschaft von Haarlem einen Preis von 100.000 Gulden für denjenigen ausgesetzt, der eine schwarze Tulpe zu züchten vermag. Hierauf beginnt ein Wettstreit unter den besten Gärtnern des Landes um das Geld und den Ruhm. Der junge Cornelius van Baerle steht kurz vor dem Erfolg dieser als unlösbar erachteten Aufgabe, als er überraschend der politischen Aufrührerei bezichtigt und ins Gefängnis geworfen wird. Hier trifft er die schöne Tochter des Kerkermeisters, Rosa, in die er sich auf den ersten Blick verliebt. Sie hilft ihm, wo sie kann, und wird zum Schluss gar seine Retterin. Die schwarze Tulpe ist nicht nur ein aufregender Roman aus einer dramatischen Periode der niederländischen Geschichte, sondern auch eine Liebesgeschichte mit einem glücklichen Ende

The Egg of Zero May 28 2020 The zero at the heart of these poems is not nothing - not simply absence, forgetting or loss, though there are moving elegies among them. This is a not-quite-definable zero that gives surprising edge to life and language round it. Direct, meditative, playful, hyper-alert, Philip Gross's distinctively wide range of tones work together in a subtle, searching new collection that addresses both the mind and heart. 'Nature, people, the obscurities of one's self, yield up their otherness in those epiphanic moments when Gross' peripheral eyesight catches them off guard. His is a voice that is mordant, obsessive, compelling - but nonetheless grateful for the rewards of living' - PBS Bulletin.

The Sodom and Gomorrah Business Dec 15 2021 "Institute courses told a grim story about the Network, that savage world beyond the closely guarded Institute gates. But they wanted to see for themselves. They had to know. Were there really females there? Would their training as mercenaries prepare them for the wild bands of grisly subhumans? They set out on a journey of discovery only to become the unwitting agents of forces that threatened to destroy the only world they'd ever known."--Page 4 of cover

Harness Horse Feb 17 2022

Cotton, the Plant that Would be King Aug 19 2019

Modes of Transportation Mar 26 2020

Blood+Death Aug 23 2022 The White Sister... The Bony Lady... The Godmother... The Pretty Girl... This is Santa Muerte, personification of death. A veiled skeleton with an unquenchable thirst for destruction, Santa Muerte is Mexico's grim and vengeful goddess. She is worshipped by outcasts and sinners, those for whom the traditional Christian deities of Jesus and the Virgin Mary have no place. For the notorious drug cartels, Santa Muerte is venerated as the saint who does not judge. She provides divine protection against authority and from rival gangs, demanding human sacrifice in return. The cult of Santa Muerte has become inextricably linked to the Mexican cartels over the past decade, resulting in barbaric rituals that have escalated the tide of violence across the streets. Bodies of cartel members are executed en masse at Santa Muerte shrines, and rumors abound of even worse atrocities in the name of magical protection. This book is the story of unholy alliance, of drug gangs and Santa Muerte, and a galvanic passion for blood and death.

Engineering in the Ancient World Jul 10 2021 Studies the engineering accomplishments of the Greeks and Romans, surveying pumps, cranes, engines, ships, and transport systems employed for purposes of both peace and war

Puzzles for Pleasure Nov 02 2020 Are you one of the millions of people throughout the world that are fascinated by puzzles, conundrums and brain teasers? If so then you will want this collection of amusing twisters from Barry Clarke. Based on his extensive experience of writing for the Daily Telegraph, Sunday Times and New Scientist, Clarke has gathered together a variety of posers, together with hints and full solutions. Several examples of a brand new type of puzzle, The Word Bandit, are included as well. The whole gamut of others from logical and liar problems through to digital deletions are included. The puzzles themselves require no special mathematical knowledge, though for those in the 'Advanced' section even seasoned solvers will need to work pretty hard to find the answer. There is something for everyone here; puzzles for children, for the family, for members of Mensa, but above all Puzzles for Pleasure.

Beyond Summer Oct 25 2022 From the million-copy bestselling author of *Before We Were Yours* comes an uplifting novel where unexpected challenges and new friendships reveal what 'home' really means. When Tam Lambert learns that her family are about to be evicted from their lovely home, the privileged life she's known is forever changed. Tam and her family must move to a changing Dallas neighbourhood called Blue Sky Hill... New resident Shasta Williams knows nothing of real estate schemes when she and her husband purchase a home in Blue Sky Hill. To her it's the perfect place to raise her children. Better yet is getting to know Tam, who lives next door. When neighbours realize that a corrupt deal could force them from their homes, friendships and loyalties are tested. Over the span of one summer, two young women discover the strength and maturity to do the impossible. They find that in Blue Sky Hill, life-altering relationships and amazing possibilities can begin to blossom... Perfect for fans of Kathryn Hughes and Santa Montefiore.

Anne und die schwarzen Katzen Jan 16 2022 Anne langweilt ihr Leben und sie hat das Gefühl etwas Grundlegendes zu vermissen. Deshalb beschließt sie eine Reinkarnationstherapeutin aufzusuchen. Dieser Entschluss wird ihr ganzes Leben verändern. Plötzlich ist nichts mehr langweilig und vieles möglich.

Fractional Analysis Aug 31 2020 This book considers methods of approximate analysis of mechanical, electromechanical, and other systems described by ordinary differential equations. Modern mathematical modeling of sophisticated mechanical systems consists of several stages: first, construction of a mechanical model, and then writing appropriate equations and their analytical or numerical examination. Usually, this procedure is repeated several times. Even if an initial model correctly reflects the main properties of a phenomenon, it describes, as a rule, many unnecessary details that make equations of motion too complicated. As experience and experimental data are accumulated, the researcher considers simpler models and simplifies the equations. Thus some terms are discarded, the order of the equations is lowered, and so on. This process requires time, experimentation, and the researcher's intuition. A good example of such a semi-experimental way of simplifying is a gyroscopic precession equation. Formal mathematical proofs of its admissibility appeared some several decades after its successful introduction in engineering calculations. Applied mathematics now has at its disposal many methods of approximate analysis of differential equations. Application of these methods could shorten and formalize the procedure of simplifying the equations and, thus, of constructing approximate motion models. Wide application of the methods into practice is hindered by the following. 1. Descriptions of various approximate methods are scattered over the mathematical literature. The

researcher, as a rule, does not know what method is most suitable for a specific case. 2.

Into the Dream Oct 21 2019 When two youngsters realize they are having the same frightening dream, they begin searching for an explanation for this mysterious coincidence.

Business Phone Book USA Sep 12 2021

Cincinnati Magazine Jul 22 2022 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Business 2.0 Sep 24 2022

The Indifference League Jun 21 2022 The Avengers for children of the Great Recession, The Indifference League take an obsessive, confused, and stressed-out look back at their old, superheroic dreams. When eyes go blurry trying to spot the line between good and evil, failure and success, sometimes the most important question is "why bother?"

Summer on Wheels May 20 2022 Hector and his best friend Mondo enjoy many exciting adventures when they take a six-day bike trip from their East Los Angeles neighborhood to the Santa Monica beach during summer vacation.

The Creation of the Night Sky Oct 01 2020 Identified by The New York Times as one of the most important living poets working in the tradition of magical realism, the award-winning author presents a collection of verses including a long narrative poem, "Night Journal." 12,500 first printing.

A Guide to the Transport Museums of Great Britain Dec 03 2020

Essential Tibetan Buddhism Jan 04 2021 Introduces Tibetan Buddhism and gathers selections from the most important Tibetan writings on Buddhism and the path to enlightenment

Tribology in Machine Design Feb 05 2021 Shows how algorithms developed from the basic principles of tribology can be used in a range of practical applications in mechanical devices and systems. Includes: bearings, gears, seals, clutches, brakes, tyres.

Visibility Nov 21 2019 A collection of poems from Graham Mort, garnered from five previous collections. They display his sharp eye for detail, distinctive narrative style, and grasp of character, atmosphere and situation.

Lauf, wenn es dunkel wird Mar 18 2022 Entführt! Cheyenne ist in Panik: Der junge Entführer kann sie nicht einfach so laufen lassen, obwohl ihm nicht wohl bei der Sache ist. Denn ihr Vater ist ein reicher Unternehmer und Cheyenne damit sehr wertvoll. In ihrer Verzweiflung knobelt sie einen Fluchtplan aus, der sie vor eine schwierige Aufgabe stellt: Sie muss allein versuchen, zu entkommen. Durch die Dunkelheit - denn Cheyenne ist blind!

Castle 04 Feb 23 2020 Er war zweimal verheiratet und lebt heute mit seiner 15-jährigen Tochter Alexis und seiner Mutter in New York. Die 26 Romane des Mystery-Autors waren allesamt Bestseller. Sein Debütroman In the Hail of Bullets hat ihm sogar den renommierten Nom DePlume Society's Tom Straw Award for Mystery Literature eingebracht. Sein bekanntestes und beliebtestes Werk ist die inzwischen abgeschlossene, 12-bändige Roman-Reihe um den pensionierten New Yorker Polizisten Derrick Storm. Seine neue Serie um Nikki Heat basiert auf wahren Fällen, die er gemeinsam mit einer Beamtin des New York Police Departments gelöst hat. Bisher sind zwei Bände erschienen.

Beyond Reason Mar 06 2021 Describes puzzles of the natural world that can not be solved by mankind's current knowledge of science and mathematics.

A Halfway House Apr 26 2020 Houses and gardens, remembered or imagined, dominate Neil Powell's sixth Carcanet collection. They range from a recollection of his grandmother's home in Chelsea to an abandoned, fog-shrouded building on the East Anglian coast; from a magical childhood garden in the Surrey hills to the composer Gerald Finzi's orchard in Hampshire. There is a sequence of sonnets set in the Waveney valley and a series of varied epigrams arranged as an alphabetical catalogue raisonne. As so often in Neil Powell's work, the North Sea laps at the edges of poems lit by the great Suffolk sky. Friends are recalled, birthdays celebrated, and A Halfway House ends with a moving elegy for the poet's father.

The Meaning of Consuelo Jun 28 2020 When Consuelo notices a disturbing change in her little sister Mili, Consuelo must decide if she will rise to the occasion and fulfill the expectations of her family and culture or risk becoming an outsider.

Bourbon Lies Jul 18 2019 Das furiose Finale der Bourbon-King-Reihe Lane Baldwine hat sich nie an der Spitze des Bourbon-Imperiums gesehen. Doch nach dem Tod des Patriarchen findet er sich in der Rolle des Familienoberhaupts und als Leiter der Bradford Bourbon Company wieder. Eine Position, die eigentlich seinem älteren Bruder Edward bestimmt war. Allerdings sitzt dieser im Gefängnis, hat er doch den Mord an ihrem Vater gestanden. Überzeugt davon, dass Edward jemanden schützt, machen sich Lane und seine große Liebe Lizzie auf die Suche nach dem wahren Täter - nur um einem Geheimnis auf die Spur zu kommen, das ihre Welt für immer verändern wird. "Ein Roman voller Skandale, verbotener Liebe sowie Wendungen, die niemand kommen sieht!" FreshFiction Spiegel-Bestseller-Serie DEUTSCHE ERSTAUSGABE

History of Tibetan Religion Jun 16 2019

Thing Knowledge Aug 11 2021 Baird describes the thing-yness of things, and he shows how objects themselves -- especially scientific instruments -- can represent knowledge of the known world. One can theorize on a culture's knowledge by looking at its tools. Often these physical artifacts are the best remaining products of material culture, they identify the theories of science and technology at the time, and any differences indicated the culture's changing needs or philosophy.

Approaching Zanzibar May 08 2021 "Wallace Blossom, a middle-aged composer who teaches at Juilliard, hasn't written a note in years. Charlotte, his wife, suffers from hot flashes and dreams of crying babies. Together with their colorful children, Turner, 12, and Pony, 9, they set out to drive across the country to visit Charlotte's dying aunt, a renowned artist. Approaching Zanzibar shows us the journey, which reveals and renews their lives."--Publisher's description."

Man Ray Cameo Sep 19 2019 Studies the works of artist Man Ray, and includes information on his life, photographs, paintings, and sculptures.

The Design of Sites Jul 30 2020 Creating a Web site is easy. Creating a well-crafted Web site that provides a winning experience for your audience and enhances your profitability is another matter. It takes research, skill, experience, and careful thought to build a site that maximizes retention and repeat visits.

Bound to You Nov 14 2021

Chicago Tribune Index Apr 19 2022

Pilgrim at Tinker Creek Dec 23 2019 In the book which won her a Pulitzer Prize in 1975, Dillard writes in the form of a journal, trying to understand God by chronicling the seasons along Tinker Creek in Virginias Blue Ridge Mountains, and by exploring the paradoxical coexistence of beauty and violence.

The Wheel of Darkness Oct 13 2021 A luxury ocean liner on its maiden voyage across the North Atlantic, awash in wealth and decadence... An ancient Tibetan box, its contents unknown, sealed with a terrifying warning... An FBI agent destined to confront what he fears most--himself...
