*Gumbo* Jun 28 2020 A literary rent party to benefit the Hurston/Wright Foundation of African-American fiction, with selections to savor from bestselling authors as well as talented rising stars. Not since Terry McMillan's *Breaking Ice* have so many African-American writers been brought together in one volume. A stellar collection of works from more than fifty hot names in fiction, *Gumbo* represents remarkable synergy. Edited by bestselling luminaries Marita Golden and E. Lynn Harris, this collection spans new and previously published tales of love and luck, inspiration and violation, hip new worlds and hallowed heritage from voices such as: • Edwidge Danticat • Eric Jerome Dickey • Kenji Jasper • John Edgar Wideman • Terry McMillan • David Anthony Durham • Bertice Berry ...and many, many more Also featuring original stories by Golden and Harris themselves, *Gumbo* heralds the debut of the Hurston/Wright Legacy Awards for Published Black Writers (scheduled for October 2002), and all advances and royalties from the book will support the Hurston/Wright Foundation. Combining authors with a variety of flavorful writing, *Gumbo* will have readers clamoring for second helpings.

*Detroit Karen* Sep 24 2022 A single mom living in Detroit, tired of the big city life, and being confronted by thugs. She decides to move south to be with her sister, the only family she has left. The trip down she meets a man willing to help her, after running out of money due to car trouble. Not knowing to either of them what trials and tribulations they would go through in weeks to come. The plot gets off the ground almost immediately as events bring Karen and Joe together as a couple. Joe, a long-haul trucker, falls in love with Karen, and he becomes quite fond of her son Jack. When Mr. Black, a thug from Detroit, Karen's hometown, becomes a threat, the plot thickens. Joe and Karen must take out the villain Mr. Black who hires to kidnap her, a serial rapist and torturer named Eddie. In the end, the bad guys get theirs, and Joe and Karen end up in each other's arms.

*The WVU Coed Murders* Sep 12 2021 Some said that the killer couldn't be a local. Others claimed that he was the wealthy son of a prominent Morgantown family. Whispers spread that Mared and Karen were sacrificed by a satanic cult or had been victims of a madman poised to strike again. Then the handwritten letters began to arrive: "You will locate the bodies of the girls covered over with brush--look carefully. The animals are now on the move." Investigators didn't find too few suspects--they had far too many. There was the campus janitor with a fur fetish, the "harmless" deliveryman who beat a woman nearly to death, the nursing home orderly with the bloody broomstick and the bouncer with the "girlish" laugh who threatened to cut off people's heads. Local authors Geoffrey C. Fuller and S. James McLaughlin tell the complete story of the murders for the first time.

*Evolution Slam Dunk: Why the Reptile Mammal Transition Proves Macroevolution and How Antievolutionists Ignore It* Dec 15 2021 The Reptile-Mammal Transition is one of the richest and most compelling cases for macroevolution (the origin of novel forms of life). The proof is to be seen not only in the many fossils that have been found, covering millions of years, but also with the evidence of developmental biology and contemporary genetics. How do those skeptical of evolution (whether creationists or those favoring "Intelligent Design")

deal with all that evidence? They don't. And you'll be able to see that because "Evolution Slam Dunk" covers them all, clearly and in full detail. Whether you're a science educator wanting a new resource to defend the teaching of evolution in class, or just curious to know what the facts are, you'll all be brought up to speed on the evidence. The Reptile-Mammal Transition is OUR story, after all. It's part of how we humans came to be.

Moon in Gemini Dec 23 2019 There's something wrong with Shawn Jefferson. Life couldn't be any better for the charming, handsome, and talented NBA guard. He's got money, he's got clout, and he's got plenty of women. But when an injury cuts his career short, Shawn finds out just how hard starting over really is. He sinks into depression and something even more terrifying, altering the lives of those around him forever. Complicating matters is the fact that he's falling in love with his physical therapist, Karen Bradshaw, who's dealing with the demons of her past in her own quietly destructive way. Despite repeated warnings from her brother, Alan, Karen is determined to find happiness with Shawn-but at what cost? Moon in Gemini. If it's too good to be true, scream.

After the Snow Began to Fall Jan 04 2021 After the Snow Began to Fall is a novel that will make you laugh, cry, sit on the edge of your seat at times, and present you with questions (maybe even a few answers) that have challenged each of us during our lifetimes. The world in which these characters live is much different than that which we face, but their approach to living should be an inspiration to all. They must make do with less and become innovative when it counts. Life and death decisions are intertwined with humor and romance. Without anyone else to come to their aid, they struggle to survive and create a new life for themselves and those who join them along the way. In addition, this novel is rather unique, I think, because it is actually two novels in one. One of the characters is a writer who creates a novel for the other characters as the story proceeds.

**Morphology and Evolution of Turtles** Jan 16 2022 This volume celebrates the contributions of Dr. Eugene Gaffney to the study of turtles, through a diverse and complementary collection of papers that showcases the latest research on one of the most intriguing groups of reptiles. A mix of focused and review papers deals with numerous aspects of the evolutionary history of turtles, including embryonic development, origins, early diversification, phylogenetic relationships, and biogeography. Moreover it includes reports on important but poorly understood fossil turtle assemblages, provides historical perspectives on turtle research, and documents disease and variation in turtles. With its broad scope, which includes descriptions of material and new taxa from Australia, Asia, and Europe, as well as North and South America, this work will be an essential resource for anyone interested in the morphology and evolution of turtles. "This volume's breadth of time, geography, and taxonomic coverage makes it a major contribution to the field and a 'must have' for all vertebrate paleontologists.", James F. Parham, California State University, CA, USA "A comprehensive and sweeping overview of turtle evolution by the top experts in the field that will interest everyone curious about these unique reptiles." Jason S. Anderson, University of Calgary, Canada "An invaluable addition to the literature that covers the full spectrum of approaches toward understanding the evolution of these noble creatures." Ann C. Burke, Wesleyan University, CT, USA "A truly comprehensive volume that both the student of fossil turtles, as well as the general reader interested in these enigmatic creatures, will find fascinating." Tyler Lyson, Yale University, CT, USA?

*The Book of Karen* Aug 23 2022 Mazes Activities Games And more . . . ! Karen and Kevin demand a lot these days. From speaking to a manager to seeing birth certificates to requiring permits to sell lemonade, there's no 911 call they won't make, no social norm nor grace today's put-upon white person won't upend, in an effort to exercise and maintain their privilege. The Book of Karen: An Activity Book for Reactionary Adults demands only one thing: you laugh at them. Filled with the kinds of stickers, brain teasers, word searches, crossword puzzles, riddles, connect-the-dots, crafts, fill-in-the-blanks, and prompts found in any traditional adult activity book, The Book of Karen subverts and parodies the genre by highlighting the horrible behaviors of the entitled women and men whose videoed and memed behaviors would be comical were they not so condemnable. As much an activity book as as it is as call to action, The Book of Karen contains a comprehensive and useful list of anti-Karen nonprofits, especially those focusing on social justice, voting rights, pay equity, LGBTQIA rights, immigration, hunger and food instability, disability services, and victim's rights to raise awareness and for readers to support, learn more about, and work with to fight the status quo. A portion of the proceeds from The Book of Karen will directly go to benefit The Equal Justice Initiative, a non-profit committee working to end mass incarceration and excessive punishment, challenging racial and economic injustice, and protecting the basic human rights for the most vulnerable Americans.

George W Bush Administration Propaganda for an Invasion of Iraq Jan 24 2020 Hartenian's history of George W Bush propaganda for an invasion of Iraq returns the administration's approach to its conceptual origins. Hartenian places "evidence" in the center of his analysis, showing that Rumsfeld's "the absence of evidence is not evidence of absence" meant that no evidence was necessary to justify an invasion. The 9/11 attacks, indeed, "changed everything" for the Bush administration and in its aftermath the time for regime change in Iraq had simply come. With no good evidence to support its fears, the administration was certain of a post-9/11-conceived Iraq-al Qaeda "nexus," just as with no evidence except the "absence of evidence" it was certain of Iraqi mastery of "denial and deception" that hid "Saddam's" "evil" activities. Resting on Cheney's "one percent doctrine," administration "certainty" of the threat from Iraq required a US invasion. The policy offices of Douglas Feith at the Pentagon, with the help of George Tenet at CIA, would generate a case of such fright and enormity—the "mushroom cloud"—that required administration action. Manipulating intelligence and ignoring the growing body of evidence undermining its case, the Bush administration invaded Iraq to bring about "regime change."

*From Dawn to Dusk* Oct 25 2022 Born shortly before the beginning of the Great Depression, Sara Hall Kemp recalls the story of her life, full of success, tragedy and family bonds. At an early age she learns the hard lessons of loss and personal strength. Moving from farm to farm along the Glade near Acworth Georgia, the family was supported by her fathers farming and odd jobs. Farmers were hit hard during the Depression in the 1930s. But for many, farming was the only way their families could be fed. As her family perseveres through countless hardships and tender moments, Sara speaks of the love that holds a family together. It was very hard for farmer's children to get an education; everyone had to work. Her determination to finish school was not to be denied. She sometimes had to walk four miles to and from school. Through her military service and later career, Sara stands up for her own convictions. Here, she passes on those convictions and a faith in God to her own family and to the reading audience. Strength and determination taught Sara how to live her own life and put her trust in God. There is much to learn from such a strong woman.

I Have Loved Me a Man Nov 14 2021 The story of a queer brown boy in a big white world. From the Old Mill Disco in Timaru to San Francisco's ACT UP protests, through Jazzercise and drag, AIDS and homosexual law reform, I Have Loved Me a Man takes readers inside the LGBTQI social revolution that has moved New Zealand and much of the world from the 1960s to the present day through the story of the one, the only, queer Māori performance artist: Mika Haka. Mika grew up in Timaru, was adopted into a white family, and learnt Maori culture from the back of a cereal box. He discovered disco in the 1970s, worked with Carmen, Dalvanus Prime, Merata Mita and others to develop outrageous stage shows that toured the world, acted in local television shows and came out on screen with Harvey Keitel, playing a takatūpui role in Jane Campion's Academy Award-winning film The Piano. Mika has never been in the closet: his life has been an ongoing production of both the fabulous and the revolutionary. This highly visual book interweaves archival and historical research with images hand-picked from Mika's extensive archive to reveal the life and times of a queer brown boy from Aotearoa who took on the big white world.

*Girl in a Band* Dec 03 2020 Kim Gordon, Indie-Ikone, Bassistin und Sängerin der legendären Sonic Youth, über ein Leben für die Kunst Sonic Youth war eine der einflussreichsten Alternative-Bands der 1980er- und 1990er-Jahre und Kim Gordon ihr heimlicher Star. Als Bassistin, Sängerin und Songwriterin der Band war sie Vorbild für eine ganze Generation von Frauen. Jetzt erzählt sie ihre Geschichte. Ihre Musik, die sich im Grenzland von Punk, No Wave und Noise-Rock austobte, war nicht zu überhören. Als Kim Gordon und Thurston Moore

1981 in New York die Band Sonic Youth gründeten, lag die Stadt finanziell am Boden, die Kunstszene in den Clubs aber blühte. Nirvana, Hole, Smashing Pumpkins – für diese und viele andere Bands waren Sonic Youth wichtige Wegbereiter, ihr Einfluss auf die Independent-Szene ist kaum zu überschätzen. Fans und Kritiker lieben die Band für ihren unverwechselbaren Sound und ihre absolute künstlerische Integrität. Kim Gordon und Thurston Moore galten lange Zeit als das Traumpaar des Rock'n'Roll, sie haben eine gemeinsame Tochter. 2011 trennten sich die beiden nach 27-jähriger Ehe und Sonic Youth löste sich auf. Kim Gordon erzählt in ihrem Buch von den Anfängen im New York der frühen Achtzigerjahre, von ihrem Leben als Musikerin, bildende Künstlerin, Modedesignerin und wie das zusammenging mit ihrer Rolle als Ehefrau und Mutter – und vom Schmerz einer Trennung nach fast 30 Jahren Ehe und künstlerischer Zusammenarbeit.

**Wonder and Glory Forever** Aug 31 2020 Inspired by the Lovecraft's more optimistic writings, this unique collection spotlights the weird works of nine current horror and fantasy authors, including the award-winning Michael Cisco and Livia Llewellyn. Also includes Clark Ashton Smith's 1931 "The City of the Singing Flame" and Lovecraft's own "The Shadow Over Innsmouth."

**Parade of Shades** Jul 22 2022 For the better part of her young life, Karen Baker reacts to people who either praise or resent her tawny complexion. When her mother abandons the family, she is left to help raise her younger siblings as her father unfortunately is absent even when he is at home. A biracial woman from a mentor program shows her new ways of looking at things and a positive change begins in Karen. However, Karen quickly learns everything has a price. Lacking a sense of belonging, Karen feels misunderstood in high school and defensive in college. Her failed romances with men of various ethnic groups make things even worse. As she journeys through her life, she gives up the idea that light skin and long hair are the main definitions of beauty. She also stops believing college graduates are better than people who do not have advanced education. Similar to *Passin'* by Karen E. Quinones Miller and *Good Hair* by Benilde Little, this novel explores African-Americans' internal color and cultural discrimination.

**Small City Big Paper** Oct 21 2019 *Small City Big Paper* By: A-Town Avery Haigler aka A-Town better known as Mr. 803 was born and raised in Orangeburg, South Carolina. Growing up in the poverty stricken part of the city led Avery to a life of crime at a very young age. With his first arrest coming at the age of 9 years old. Always wanting more and having street savvy with book smarts to match led to a career criminal in the making. In and out of juvenile detention, jail and prison from the age of 10 up until his final arrest at the age of 26 that landed him in federal prison with a 10 year sentence for drug conspiracy and money laundering. Avery went from petty criminal to one of the largest drug dealers in his city during his era. From basically having nothing to becoming a millionaire off the drug trade all while in a small city known as Orangeburg. While incarcerated in the Federal Prison, Avery read numerous urban novels that depicted the drug scenes in major cities. He then realized that while he was from a small city, the drug scene in Orangeburg was on a major level like in bigger cities, which let him to writing this book. Letting readers know that even though Orangeburg is a small city, it's some Big Paper (serious money) being made there. Since his release from federal prison in March of 2017, Avery has been working a regular 9 to 5 job and enjoying life spending time with his family and 7 beautiful kids. Also, he has a promotion company called 'I Ain't Press Entertainment', in which he promotes parties, events and local artists. He is also investing into real estate with hopes of having 10 rental properties by his 40th birthday.

**The Ashgate Research Companion to Popular Musicology** May 08 2021 The research presented in this volume is very recent, and the general approach is that of rethinking popular musicology: its purpose, its aims, and its methods. Contributors to the volume were asked to write something original and, at the same time, to provide an instructive example of a particular way of working and thinking. The essays have been written with a view to helping graduate students with research methodology and the application of relevant theoretical models. The team of contributors is an exceptionally strong one: it contains many of the pre-eminent academic figures involved in popular musicological research, and there is a spread of European, American, Asian, and Australasian scholars. The volume covers seven main themes: Film, Video and Multimedia; Technology and Studio Production; Gender and Sexuality; Identity and Ethnicity; Performance and Gesture; Reception and Scenes and The Music Industry and Globalization. The Ashgate Research Companion is designed to offer scholars and graduate students a comprehensive and authoritative state-of-the-art review of current research in a particular area. The companion's editor brings together a team of respected and experienced experts to write chapters on the key issues in their speciality, providing a comprehensive reference to the field.

*Familiennamengeographie* Nov 02 2020 This volume contains 27 current research articles related to the geography of family names in Europe, providing for the first time an overview of international research in this field. The spectrum includes studies (Scandinavia), studies of specific countries (e.g. Austria, Germany, the Netherlands, England, Poland, Spain, Portugal),

and phenomena in small geographic areas (e.g. Alemannic, West Central German). Numerous distribution maps document the areal relationships.
