amounted to an apprenticeship. "My mentors dispatched me to various specific locations in the Somerset landscape, and at all hours of the night and day. I sat on hills and valleys and rocks under sunlight, moonlight, rain, snow, and fog, and had visions. I started to see another landscape behind the apparent landscape. It was an apparitional landscape with stars, planets, galaxies, angels, spirits of Nature, mythic deities, divinity." As time went on, he found himself talking with angels, visiting celestial cities, and following gnomes. He came to understand that at one level we are the planet, and that both we and it have an intimate relationship with our galaxy. "I found myself living inside the myths of the world as if they were expert scripts for real-life inner adventures. I never once thought I was crazy. Why should I? Quite the opposite. I believed I was finally getting grounded in something real. But it would take me twenty years to make sense of it. That sense is embodied in The Emerald

The work represents 4 frac12; years worth of exclusive study on the matter culminating in the Absolute Solution, which when understood dispels the illusions of sexual attraction to such a point that the mystery becomes as the sage says, "unimpressive." Essence of the Problem: Sexual attraction is presented in perplexing, multi-layered, multi-faceted, and ever-changing forms. The onlooker is thereby mesmerized. Baffled, he loses his perspective and sense of reality. His consciousness is swept away with the stream of peculiar variegated data that bombards him. The Solution: A born teacher, The author, Omid Mankoo, Is extremely detailed. With simplicity, he dissects and identifies each illusive element of the jumbled mass of sexual manipulation. He elucidates how each element functions to capture the mind. Furthermore, he demonstrates
