**The Four** Mar 03 2020 "Die vier apokalyptischen Reiter" – so bezeichnet Marketing-Guru Galloway Amazon, Apple, Facebook und Google. Diese Tech-Giganten haben nicht nur neue Geschäftsmodelle entwickelt. Sie haben die Regeln des Wirtschaftslebens und die Voraussetzungen für Erfolg neu definiert. In dem respektlosen Stil, der Galloway zu einem der gefeiertsten Wirtschaftsprofessoren der Welt gemacht hat, zerlegt er die Strategien der Vier. Er führt vor, wie sie unsere grundlegenden emotionalen Bedürfnisse mit einer Schnelligkeit und in einem Ausmaß manipulieren, an die andere nicht herankommen. Und er zeigt, wie man die Lehren aus ihrem Aufstieg auf sein eigenes Unternehmen oder seinen eigenen Job anwenden kann. Ob man mit ihnen konkurrieren will, mit ihnen Geschäfte machen oder einfach in der Welt leben will, die von ihnen beherrscht wird – man muss die Vier verstehen.

Unshackled May 05 2020 Clint Bolick and Kate J. Hardiman begin with a thought experiment: how would we structure a 21st-century K&-12 school system if we were starting from scratch, attending to contemporary parental needs and harnessing the power of technology? Maintaining that the status quo is unacceptable, they take a forward-thinking look at how choice, competition, deregulation, and decentralization can create disruptive innovation and reform education for all students. The US Supreme Court proclaimed 65 years ago in *Brown v. Board of Education* that our schools must provide equal educational opportunities, but as Bolick and Hardiman argue we have yet to make good on that promise. School systems are bound to antiquated structures, outdated technology, and bureaucratic systems that work for adults, not children. The COVID-19 pandemic has highlighted how ossified the traditional public school system has become. Today's ruptures in traditional learning create opportunity for reinvention. *Unshackled* explains that technology can redefine the ways students learn in and out of the classroom and highlights the benefits of expanding educational freedom so that families are able to choose an education that fits their child's needs.
