Mobil Travel Guide Southwest 2005 Jan 01 2020 The Mobil Travel Guide star ratings are a 45-year-old consumer advocacy concept originally developed following the introduction of the interstate highway system. The goal of the Guide is not to identify and rate every property in the country, but to recommend only the best in each category, ones that we would send our customers to. We look at the stars from a consumer's point of view, rating lodgings and restaurants across North America from

the perspective of the "average traveler." The Guides feature new enhanced descriptions for 2004. Listings include lodgings, restaurants, attractions, and events in established travel destinations, as well as cities and towns on the way to established travel destinations. Our new easy-to-use format makes the Guides even more indispensable to travelers. Each regional guide is organized alphabetically by state, with introductory information about the state followed by city listings in alphabetical order. For each city, the guide lists sites and attractions, lodgings, and then restaurants. One of the features that sets the Mobil Travel Guide apart from its competitors is its proprietary Mobil star rating system. Forty-five plus years of publishing experience and the oldest non-biased rating system in North America make the Mobil Travel Guide series a must-have for travelers wanting up-to-date ratings of hotels and restaurants.

Hawthorn's Hill Dec 24 2021 Poor old Zawanda is in a mess, its economy in meltdown, its people unable to give up their age-old tribal enmities. The news that Britain is to cut off the country's foreign aid looks like the last straw, until Frederick Zawutu, the intelligent, Cambridge and Sandhurst-educated new president, hits on a daring scheme ? to embark on a game of bluff designed to make the West believe that this penniless Central African nation has somehow acquired a nuclear bomb. Everything goes to plan ? until the English arms dealer Zawutu has set up to unwittingly play the part of the ?supplier? proves to be a little too good at his job? Hawthorn's Hill is a light-hearted, cleverly-constructed novel about modern Africa, the follies of diplomacy, tribal conflict and the foibles of race and sex.ÿ
